

Flic-en-Flac is located on the west coast of Mauritius and is 40 minutes drive from the airport. Flic en Flac has one of the best beaches on the island protected by the surrounding coral reefs. Swimming is safe and various water sports can be enjoyed. The beach faces west making it the perfect spot to experience a fantastic sunset.

The climate on the west coast is relatively dry and can get very hot in summer. It is therefore a pleasant region all year round. A T-Shirt is all you need in summer (November to March.) A sweatshirt or something warmer is necessary for winter evenings (June to August)

There is a choice of evening entertainment in Flic en Flac with restaurants, bars, nightclubs and a casino. The west coast of Mauritius features interesting sites including Casela Bird Park, Domain Anna. Popular activities include hiking in the Gorges de la Riviere Noire National Park, deep sea fishing and scuba diving.

Flic en Flac has a good bus route leading to some of the islands best kept treasures. From the Coastal road you can get the bus to Port -Louis or venture further across the island.

As a year round destination, you will be delighted by the true pleasure of living offered by Flic en Flac. Your vacation will become memorable by the various amenities available locally. The radiant sun and a calm and welcoming sea, the beautiful WHITE SAND seaside, restaurants, supermarkets, banks, pharmacies, casinos, taxi and bus services and the multi-lingual melodies of Mauritius will all join a hand to make your stay with us a real success.
