

WELCOME TO VILLA MAURITIUS HOLIDAYS

Mauritius

On a map Mauritius appears as no more than a speck amid the blue eternity of the Indian Ocean. Endless white beaches, clear lagoons naturally protected by the world's longest unbroken coral reef and romantic sunset. It's what makes Mauritius in the Indian Ocean so precious.

We invite you to come and discover this tropical paradise.....

Temperatures are a guide and may fluctuate throughout the seasons.

Mauritius is an all year destination with a tropical climate, cooled by the gentle breezes of the Indian Ocean. The busiest time to visit is at Christmas and New Year when tourists from colder climates descend upon this island in the Indian Ocean. January-April is the hottest time of year and the so-called winter is from June to September. The waters are at their clearest from December to March, so if you're into diving this would be the best time for you.
